

ST. THOMAS MORE MATCHING GIFT CAMPAIGN FINAL REPORT

Thank
You

The St. Thomas More Matching Gift Campaign for this year is ending on a high note! The Campaign ran for three months and raised a total of \$25,100! This was a few dollars more than we collected last year and effectively equaled what we had budgeted for the Campaign and hoped to collect for this year. THANK YOU FOR YOUR GENEROSITY! We are incredibly grateful for this support during the COVID pandemic period. We know it was a difficult year financially for many of us. A solid Campaign was needed to help us maintain our core Parish operations in light of a significantly reduced offertory.

The final numbers were:

- 2 Parishioners pledging a total of \$5,000 if matched.
- 36 donations totaling \$20,100.
- Total Campaign income = \$25,100

The response to the St. Thomas More Matching Gift Campaign continues to be inspiring and the Parish Finance Council / Stewardship Commission appreciates it very much. THANK YOU!
